

**Michael B. Murray, Jr.**

---

The law firm of O'Donnell, Weiss & Mattei, P.C. (OWM Law), 41 E. High Street, Pottstown, PA, is very pleased to announce that Michael B. Murray, Jr. has joined our firm to Co-Chair the firm's growing Zoning and Land Use Practice Group.

O'Donnell, Weiss & Mattei, P.C. is a full service law firm that has been serving the Montgomery, Chester and Berks County areas for over 50 years. In addition to the Pottstown office, the firm established its Phoenixville office, located at 347 Bridge Street, Phoenixville, in 2006. As with all 13 of our attorneys, Mike will be available to clients in both offices as needed.

Mr. Murray received a B.S. in Accounting from Villanova University, and his Law Degree from Villanova School of Law in 1996. He is licensed to practice in both Pennsylvania and New Jersey. Mike spent the last 10+ years practicing with the firm of Riley Riper Hollin & Colagreco in its Lionville office. He brings diverse business law experience, including Real Estate, Municipal Law, Contracts and Project Management, with particular emphasis in Zoning and Land Use matters, to OWM Law.

In his years of real estate and land use practice, Mike has represented, and continues to represent, developers, land owners, telecommunications companies and other applicants in every phase of obtaining project approvals from Municipal, County, State and Federal agencies. Mr. Murray has also served as a solicitor for municipalities, municipal authorities and zoning hearing boards. This public sector expertise promotes development of strong relationships with elected and appointed officials and brings a practical approach to cut through "red tape" and think "outside the box" to solve complicated issues and obtain project approvals. With the addition of Mr. Murray to the firm, we believe OWM Law is one of the premier Zoning and Land Use practices in Southeastern Pennsylvania.

Mike was born in Norristown and grew up in West Norriton Township, Montgomery County, and currently resides in North Coventry Township, Chester County with his wife, Meredith, and their three sons. He is actively involved in local youth sports organizations, charitable organizations and State and local politics.
